

Jacket ROXON (graphite grey/black)

Soft, durable and stylish ROXON hooded jumper.

Made of soft, light and breathable Softshell fabric that protects against light wind and rain. Chest inserts are made of quilted fabric with sintepon, thanks to which the sweater will provide additional warmth. Two spacious pockets on the waist and one on the chest are conveniently closed with zippers and two additional pockets inside - for even greater convenience.

- This ROXON jumper is perfect not only for doing various jobs, but also for leisure time.
