

High visibility short-sleeve shirt RICO (Hi-Vis Orange)

Hi-Vis short-sleeve shirt with reflective strips and round collar. The mesh at the sides of the shirt ensures great air circulation.

An **ID pocket** is located on the left sleeve, allowing easy placement of your name or company logo.

Fabric Features:

- **Comfort and Softness** - The high cotton content makes the fabric soft and pleasant against the skin.
- **Durability and Longevity** - Polyester adds strength to the fabric, helping to prevent shrinkage and color fading.
- **Good Breathability** - Cotton allows the skin to breathe, making the T-shirt comfortable for extended wear.
- **Moisture Management** - Polyester dries quickly and effectively wicks away sweat, preventing moisture retention.
- **Easy Care** - The fabric resists wrinkles, is easy to wash, and dries quickly.
- **Moderate Thermal Regulation** - With a **180 g/m²** fabric density, it is neither too thin nor too thick, making it suitable for both cooler and warmer weather.

This is a **great choice for workwear**, ensuring both comfort and durability!
