

Work Jacket ORLANDO from recycled polyester with stretchable details (Grey/Black)

ORLANDO-RC JACKET, comfortable work jacket.

The ORLANDO-RC jacket is made from recycled polyester/cotton fabric, combined with elastic and movement-friendly, exceptionally high-quality “4-WAY STRETCH GRAPHENE” fabric for areas that require the most flexibility.

Features:

- Good air circulation.
- Work-adapted design.
- Intended for men, but also suitable for women.

Details:

- Raised collar.
- Pockets: Zip-closed pockets. Two pockets at the waist, one chest pocket.
- Thermoregulation: The fabric is breathable due to its weaving structure.
- Cuffs: Adjustable cuffs with Velcro fasteners.
- Closure: The jacket is fastened with a zipper.
- Zipper pull tabs on the outer zippers.
- Reflective bands on the shoulder area.

Suitable for:

- Outdoor and indoor work when high visibility is not required.
