

A lightweight, soft, and highly breathable TOPEK Softshell jacket.

The TOPEK Softshell jacket is an excellent choice for when it's not too cold outside. It is comfortable to wear thanks to the high-quality Softshell fabric with a TPU membrane (8000mm/5000MVP). The fabric is not only highly elastic, allowing for unrestricted movement, but also water-resistant, durable, and breathable, making it a common choice for outdoor clothing designed for active outdoor activities, sports, or everyday wear.

Features:

- Waterproof and windproof jacket.
- For high visibility, there are two bonded 5 cm segmented reflective stripes on the shoulder area.
- Designed for men but suitable for women as well.
- When properly layered, this jacket is suitable for early autumn, spring, and even summer as a jacket for cooler mornings.

Details:

- **Hood:** Spacious, adjustable hood with a high collar.
- **Pockets:** Zippered pockets. Two waist pockets and one chest pocket.
- **Thermoregulation:** The TPU (thermoplastic polyurethane) membrane is one of the most advanced technologies used in softshell fabrics, providing high water resistance and breathability.
- **Cuffs:** Elastic cuffs for comfortable wear.
- **Closure:** Jacket with a zipper closure.
- **Zippers:** Outer zipper pulls with tabs.
- **Back:** Extended lower back.

Suitable for:

- Outdoor work, construction sites, road work, and active outdoor activities.
