

JACKET TOPEK HI-VIS Highly Visible

The TOPEK softshell jacket with HI-VIS details is an excellent choice for when it's not too cold outside. It's comfortable to wear thanks to the high-quality Softshell fabric with a TPU membrane (8000mm/5000MVP). The fabric is not only highly elastic, allowing freedom of movement, but also water-resistant, durable, and breathable, making it a popular choice for outdoor clothing designed for active outdoor activities, sports, or everyday wear.

Features:

- High visibility class EN ISO 20471 Class 1.
- Waterproof and windproof jacket.
- Bright high-visibility yellow color with reflective stripes.
- Designed for men but suitable for women as well.
- When layered appropriately, this jacket is suitable for early autumn, spring, and even summer for cooler mornings.

Details:

- **Hood:** Spacious, adjustable hood with a high collar.
- **Pockets:** Zippered pockets. Two pockets at the waist and one chest pocket.
- **Thermoregulation:** The TPU (thermoplastic polyurethane) membrane is one of the most advanced technologies used in softshell fabrics, providing high water resistance and breathability.
- **Cuffs:** Elastic cuffs for comfortable wear.
- **Closure:** Zippered jacket with zipper pulls on the outer zippers.
- **Back:** Extended lower back.

Suitable for:

- Outdoor work, construction sites, road work, and active outdoor activities where high visibility is required.
