

MASHUP stretch bib-and-brace overalls (Hi-Vis Yellow/Black)

Work Overalls MASHUP with Elastic Inserts Hi-Vis

These work overalls are made from a recycled polyester/cotton fabric blend, combined with high-quality 4-WAY STRETCH GRAPHENE fabric in areas requiring maximum flexibility. This ensures unrestricted movement and superior comfort.

Cordura® fabric reinforcements and 4-WAY STRETCH GRAPHENE elastic fabric provide excellent durability, freedom of movement, and breathability.

Features:

- High-visibility class EN ISO 20471 Class 2
- Bright fabric color and reflective stripes for enhanced visibility
- Thoughtful design and material selection allow for easy tool carrying and unrestricted movement
- Excellent air circulation for added comfort

Details:

Pockets:

- Two inserted pockets at the waist
- Zippered chest pocket and inner chest pocket
- Deep side zippered pocket on the left thigh and tool pocket on the right thigh

Fastening:

- Zippers with pullers for easy handling
- Knee Pads: Specially designed knee pad pockets, reinforced with Cordura® patches, allowing for two height adjustments
- Suspenders: Adjustable suspenders for a better fit
- Length Adjustment: Double hem at the bottom of the legs, allowing the pants to be extended by up to 4 cm when the seam is undone
