

PRODUCT DETAILS:

Product code:

TR-COMBO-0502

Fabric:

97% Cotton/ 3% Spandex 280g/m2

Technologies:

4-WAY STRETCH

FABRIC PROPERTIES:

- Stretchy cotton fabric – extremely soft, breathable, and naturally adapts to the body. Elasticity provides freedom of movement, while the thicker fabric structure guarantees strength and durability.
- Cordura fabric – reinforces the most worn areas so that the pants last longer and maintain a neat appearance.
- The mixed fabric pocket lining is pleasant to the touch, yet sturdy enough to hold tools or smaller items for everyday use.

DETAILS:

- Feels like cotton, but stretchy like synthetics – maximum comfort and freedom of movement.
- Breathable and elastic – allows the skin to breathe freely and does not restrict movement.
- Strong and comfortable – reinforced areas ensure durability.
- Subtle style – classic dark blue and gray colors with black contrasts give a neat, professional look.

IDEAL FOR:

- Suitable for work where comfort and freedom of movement are important.
